EXPERT INSTRUCTION. EXCEPTIONAL PREPARATION.

FIRST RESPONDERS DRIVER ACADEMY

Combining expert classroom instruction with real-world driving exercises, Pitt Race Driver Academy offers a one-of-a-kind training experience for police, fire, ambulance, and other first-responders. Partnering with certified instructors in a controlled environment on our 2.8-mile track, your drivers will learn how to maneuver more effectively through a variety of situations.

It's an engaging, fun experience that will help your drivers perform better in emergencies, reducing not only the risk of accidents but also liability exposure. From understanding vehicle control dynamics to learning key technical driving skills, your drivers will get the skills and knowledge they need to be their best behind the wheel.

We'll work with you to help meet any budget constraints for your station. Call **724-535-1000** or visit pitrace.com/control for details, pricing, driver/vehicle requirements, and to book your team today!
