

GET YOUR TEAM READY FOR THE ROADS AHEAD

Combining expert classroom instruction with real-world driving exercises on a real motorsports track, Pitt Race Driver Academy offers a unique training experience to help your drivers be smarter, safer, and more confident behind the wheel.

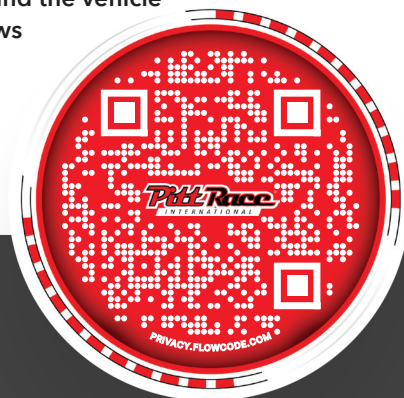

Make sure your team is well-prepared for what lies ahead with this single-day academy featuring professional instructors teaching critical driving skills from understanding vehicle control dynamics to safety maneuvers. Whether to evaluate your drivers' abilities, reduce claims, or improve insurance rates, it will not only improve your drivers' skills but also make for a great team-building event.

We can customize your experience to match your group size, scheduling needs, catering requests, and more. Call 724-535-1000 or visit pitrace.com/control for details, pricing, driver/vehicle requirements, and to book your fleet event today!
